Bestway Fast Set Round Inflatable Pool 2.44 m x 61 cm:

With this quick and easy Bestway Fast Set Pool Set, you'll be ready for a pool day in no time! The Fill & Rise set-up process is simple - just select a level surface, inflate the top ring and the pool will rise as it's filled up with water. The sturdy DuraPlus liner is made out of an ultra-durable 3-layer material that is reinforced for strength and is 85% more puncture-resistant than PVC. When the season's over, storage is fast and simple. The water releases easily through the flow control drain valve, and then the pool can fold up for compact off-season storage. This pool is the ideal choice for families looking for a quick and easy pool option for their backyard. Kids will enjoy spending their summer days splashing and playing in the water, and parents can enjoy a nice and relaxing dip as well. The season won't be complete without the convenient Fast Set Pool from Bestway!
