

ICY BOX IB-127CL-U3

2 bay Docking & CloneStation for 2.5" and 3.5" SATA drives

Key features

- Clones bootable hard drives without PC (stand-alone)
- Supports 2.5" and 3.5" SATA I/II/III drives
- RGB bottom & display for cloning process
- USB 3.0 Type-A or Type-C® with up to 5 Gbit/s to the host computer
- SINGLE mode – the computer recognises 2 independent drives
- Plug & Play and HotSwap
- LEDs for power and access
- Supports Windows®, macOS® and Chrome OS™

Packing content

1x IB-127CL-U3, 1x USB 3.0 Type-B to Type-A + Type-C® cable,
1x Power adapter, 1x Manual

Technical data

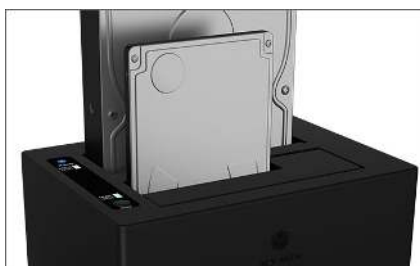

Model	IB-127CL-U3
Article no.	60820
EAN code	4250078171591
Brand	ICY BOX
Colour	Black
Material	Aluminium, plastic
Interface to host computer	USB 3.2 (Gen 1) Type-C®/Type-A
Data cable length	100 cm
HDD size	2.5", 3.5"
HDD height	Up to 20 mm
HDD interface	SATA I,II,III (6 Gbit/s)
HDD capacity	Up to 18 TB
UASP support	Yes

Transfer rate	Up to 5 Gbit/s
HotSwap	Yes
Plug & Play	Yes
ON/OFF button	Yes
LED	Power and access
Display	Clone progress 0% - 100%
Power supply	12 V / 3 A power adapter
DC-Plug dimension	Ø Outside: 5.5 mm, Ø Inside: 2.1, Length: 10 mm
Operating system	Windows®, macOS®, Chrome OS™
System requirements	One free USB Type-A or Type-C® port on your host computer One free household EU ~230 V power outlet

ICY BOX **IB-127CL-U3**

2 bay Docking & CloneStation for 2.5" and 3.5" SATA drives

Cloning bootable hard disks

Hard drives are simply plugged into the docking and clone station. Just one touch on the clone button, which is easily accessible on the device, and the cloning process starts without the need for a USB 3.0 connection to the computer. The hard disk is now cloned 1:1, bit by bit.

All easy

With the help of HotSwap and Plug & Play, hard disks of the form factors 2.5" (max. height up to 15 mm) and 3.5" can be easily inserted, exchanged and put into operation. When the docking and clone station is connected to the PC, both hard disks are recognised independently of each other.

RGB ambience

The bottom of the clone station lights up during operation and provides an atmospheric highlight while working. The aluminium housing in matt black provides a stylish contrast of the highest quality. The LED display for the cloning progress is embedded on the top of the device. Simple and exciting.

Logistical data

Packing unit: 20 pcs. / carton
Total weight: 17.94 kg
Gross weight: (with packing): 0.86 kg
Net weight: 0.49 kg

Dimension / carton: 445x395x360 mm
Dimension (with packing): 75x163x200 mm
Dimension of article: 110x150x65 mm
Country of origin: China
