Privacy Screen Adhesive Strips and Mounting Tabs - Universal Installation Kit for Laptop/Computer Monitor Anti Glare Privacy Filters, Replacement Strips/Holder Tabs

Product ID: MON-PRIVACY-SCREEN-K

The MON-PRIVACY-SCREEN-K is a kit for installing/replacing privacy filter hardware. This kit also enables the reuse of existing privacy filters, allowing you to use a privacy filter with multiple displays of the same size.

The privacy screen installation kit includes an eight-piece adhesive bezel tab set (two large and six small), a twelve-piece adhesive strip set (six short and six long), and a wiping cloth. Use the mounting tabs for non-permanent installations, with the ability to quicky remove and reuse privacy screens for multiple monitors of the same size, or switch between matte and glossy sides of a privacy filter. The adhesive strips are for semi-permanent installations. The strips can be removed without leaving behind any adhesive residue.

The universal installation kit is compatible with StarTech.com's privacy filters, such as PRIVSCNMONxx, PRIVACY-SCREEN-xxM, and PRIVACY-SCREEN-xxMB, as well as third-party privacy filters. The installation kit can be used for monitors of up to 32 inches; larger displays may require additional kits.

The MON-PRIVACY-SCREEN-K is TAA compliant and backed for 2-years by StarTech.com, including free lifetime 24/5 multi-lingual technical assistance.

Certifications, Reports and Compatibility

Applications

Features

• PRIVACY SCREEN INSTALLATION KIT: Includes eight adhesive mounting tabs (2x large / 6x small), twelve adhesive strips (6x large / 6x small), and a wiping cloth for cleaning monitors/bezels; Note: installation kit only,

privacy filter not included

• ADHESIVE STRIPS: Replacement kit includes twelve adhesive strips for semi-permanent installation of privacy filter on laptop or computer monitor; screen protector adhesive strips are easy to apply/remove without leaving behind any adhesive residue

• MOUNTING TABS: Apply adhesive slide mount tabs to the monitor bezel to enable a choice between matte/glossy sides of the privacy screen, or equip additional monitors with tabs for a modular installation; includes two large and six small holder tabs

• UNIVERSAL FIT: The installation kit is compatible with our line of privacy screens, including our PRIVSCNMON and PRIVACY-SCREEN series, as well as privacy filters from other brands; larger (32"+) or ultra-wide screens may require additional adhesive strips

• THE IT PRO'S CHOICE: Designed and built for IT Professionals, this TAA compliant privacy screen installation kit is backed for 2-years, including free lifetime 24/5 multi-lingual technical assistance
