With plush protective compartments to protect your laptop and tablet, and an essentials organizer for all your everyday gear, the Underground takes business luggage to a new level. An additional quick pocket provides speedy access to important items, and the clever design boasts a rear pocket that unzips to become a trolley sleeve to fit onto wheeled cases for easy travel with multiple bags. As well as looking after your belongings in the stylish quilted interior, it's comfy to carry, too, thanks to the removable adjustable padded shoulder straps and dual handles.
