UNPARALLELED PERFORMANCE

Higher print speeds and day-in, day-out dependability are just the beginning. The B305/B315 multifunction printers go beyond business basics to deliver fast colour and B&W scanning, duplex scanning for more applications and better paper handling with more trays for higher capacities and usage. The B315 takes it even further with the ability to fax.

SINGLE-CLICK SIMPLICITY

Get more out of every click with Xerox® Print Drivers and the Xerox® Print and Scan Experience App. One-touch

convenience is at your fingertips with quick access to printer presets and print functionality from your laptop or desktop. And scanning is a snap with features like auto-straightening, auto-cropping images and receipt scanning.
