BORA X1

Gaming Laptop Cooling Pad
with RGB

QUICK START GUIDE

How it works

48844 SureFire Bora X1 Gaming Laptop Cooling Pad with RGB

1. Take out product and accessories from the box.

Product

User Manual

DC cable

2. Fan function

- Connect the cable to the “DC in” port on the top of the stand.
- Turn on the fan speed controller and increase the airflow by turning it clockwise. Turn the fan off by turning the controller anticlockwise until you hear a clicking sound.

3. RGB function

Press the Light Mode button beside the “DC in” port to change the light modes. The cooling pad will memorise your selected RGB light mode the next time you connect.

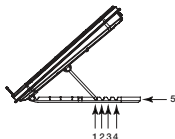

Fan regulator

DC in

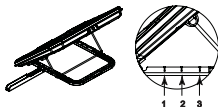

Light mode

1. Wave (Rainbow colours)
2. RGB Spectrum (Rainbow colours)
3. Pulse (Rainbow colours)
4. Blink (Blue)
5. Full Lit (Green)
6. Render (Purple/Green)
7. OFF

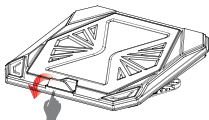

4. Adjust view angle. You can choose between 5 different angles.

6. Attach both smartphone stands to the product base (3 possible positions).

5. Open the laptop holder. Place your laptop on the cooling pad.

7. The completed cooling pad in use:

Limited Warranty Terms

Verbatim GmbH warrants this product to be free from defects in material and workmanship for a period of 2 years from date of purchase.

This warranty excludes batteries.

If this product is found to be defective within the warranty period, it will be replaced at no cost to you.

You may return it with your original cash register receipt to the place of purchase or contact Verbatim.

Product replacement is your sole remedy under this warranty, and this warranty does not apply to normal wear or to damage resulting from abnormal use, misuse, abuse, neglect or accident, or to any incompatibility or poor performance due to the specific computer software or hardware used.

VERBATIM WILL NOT BE LIABLE FOR DATA LOSS OR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES, HOWEVER CAUSED, FOR BREACH OF WARRANTIES OR OTHERWISE.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state or country to country.

Note

Verbatim GmbH may at any time revise the content of this user guide without further notice.

RoHS Compliance

This product is in compliance with Directives 2011/65/EU and 2015/683 of the European Parliament and of the Council of 18th December 2006, on the restriction of the use of hazardous substances in electrical and electronic equipment (RoHS) and its amendments.

Substances of Very High Concern (SVHC) including 219 substances contained in Candidate List of June 8th 2021 are not present in this product range above permitted levels.

WEEE Notice

The Directive on Waste Electrical and Electronic Equipment (WEEE), which entered into force as European law on 13th February 2003, resulted in a major change in the treatment of electrical equipment at end-of-life.

The WEEE logo (shown at the left) on the product or on its box indicates that this product must not be disposed of or dumped with your other household waste.

For more information about electronic and electrical waste equipment disposal, recovery, and collection points, please contact your local municipal household waste disposal service or shop from where you purchased the equipment.
