

Konftel 55Wx

All-in-one. Your way.

The Konftel 55Wx is a compact, high-performance speaker phone with Omni-Sound® audio technology. It delivers crystal-clear HD audio in a wide range of meeting scenarios, including wireless. The Konftel 55Wx is the all-in-one solution, so you can do things your way, fuss-free.

The speakerphone serves as a hub for your communications, connecting to computers, mobile phones/tablets and desk phones. The Konftel 55Wx also has Bluetooth® for easier pairing, as an extra feature compared with the simpler Konftel 55. Calls via a computer can be bridged with calls via a desk phone or mobile phone. Switch and combine connections easily on the touchscreen, which only shows the options available at the time.

SMART FEATURES

Record calls or dictations onto a memory card and save, play or share the audio files with ease. The software is constantly being improved and can be updated easily using a tool on your computer. This makes the Konftel 55Wx speakerphone a future-proof investment.

OmniSound®      

- Meeting size: Up to 20 people
- Bluetooth®
- Connection to desk phone (adapter)
- Connection to cell phone (cable)
- NFC for easy pairing
- Integration with UC clients
- Battery
- Connectable to expansion microphones and PA systems
- Two-year warranty

CONNECTS TO YOUR UC APP

The Konftel 55Wx is fully compatible with the market's leading UC applications. The speakerphone connects directly to Skype for Business, Cisco Jabber or Avaya Communicator on your computer. The app's call functions are controlled from the touchscreen. If you prefer a different conferencing tool, the Konftel 55Wx is still a high-quality USB audio device.

GROWS WITH THE TASK

The Konftel 55Wx is the perfect addition to the small huddle rooms that are so crucial to the growing culture of teamwork within and between organizations. But it's just as good on a desk and with expansion microphones, you can have large conference calls with up to 20 people in the room.

Specifications Konftel 55Wx
