

MPN: KON503O

Strain Relief Boot for RJ45 Orange, 50pcs

The KON503O Strain Relief Boot for RJ45 in vibrant orange is a must-have accessory for anyone building or maintaining network cables. This pack of 50 boots provides essential protection for your RJ45 connectors, preventing cable damage at the point where the cable joins the plug. Designed to extend the life of your cables and ensure reliable network connections, these strain relief boots are easy to install and provide a professional, clean finish. Benefit from MicroConnect's 20+ years of expertise with these premium quality, durable boots, ensuring secure and long-lasting network performance. The orange color also aids in cable identification and organization, streamlining your network setup.
