

MPN: KON503W

Strain Relief Boot for RJ45 White, 50pcs

Enhance the durability and professional appearance of your network cables with the MicroConnect KON503W Strain Relief Boot for RJ45. This pack includes 50 white strain relief boots, designed to protect the RJ45 connector and cable from bending or damage at the connection point. By preventing stress on the cable, these boots significantly extend the lifespan of your patch cables, ensuring reliable network performance. Easy to install, these boots provide a clean and organized look to your cable installations, a hallmark of MicroConnect's commitment to quality and customer satisfaction. A simple and cost-effective solution to maintain the integrity of your network infrastructure. These boots are perfect for both professional installers and home users alike, reflecting MicroConnect's dedication to pioneering innovation in connectivity solutions for over 20 years.
