Optimise your Ascom DECT and VoWiFi handsets with approved accessories

Get even more from Ascom DECT and VoWiFi handsets with tested carrying and headset accessories, and charging and battery options.

Carry with confidence

Use clips, cases and security strings for extra comfort and protection. A personal alarm pull cord is also available for the Ascom d81 and d83 handsets.

Stay ahead with approved headsets

Choose the approved boom headset. Ascom d63, d81, d83 and i63 phones can also be used with Bluetooth-enabled headsets. For noisy environments we offer Peltor headsets and adapters.

Always charged, always ready

Battery pack chargers, wall-mounted rack chargers, desktop chargers...choose the right accessories to keep your handsets on the go.
