DATASHEET

BRIO 505

Give employees an easy-to-use webcam that helps them feel authentic during meetings. From the leader in video conferencing hardware, Brio 505 offers crisp video, light and sound optimization, auto-framing[1,2], and more, along with easy IT management.

Confidently deploy flawless video meetings with Brio 505, a foolproof plug-and-play HD webcam packed with features that help employees look and sound natural during meetings. Advanced light correction, auto-framing[1,2], noise-reducing mics, and Show Mode[1] make authentic meetings a breeze. Brio 505 is certified for *Microsoft Teams*, *Google Meet*, and *Zoom*, so it fits right into your IT ecosystem. You can also easily manage and update Brio 505 remotely with Logitech Sync and Logi Tune.

FEATURED PRODUCT SPECIFICATIONS

1. **Professional video quality:** Look natural and confident with Full HD resolution, auto-framing[1,2], and auto light correction.
2. **Dual noise-reducing mics:** Be heard clearly in noisy environments with noise-reducing mics that filter out background sound.
3. **Integrated privacy shutter:** Block the camera when you don't wish to be seen with an easy-to-use privacy shutter.
4. **Show Mode[1]:** Present physical items by tilting the camera down to show sketches, work in progress, or objects.
