- Automatic shut-off when iron is left unattended
- Safe-carry lock for safe and easy transport
- OptimalTEMP technology, guaranteed no burns*
- Steam and refresh garments with automatic vertical steam
- Ultra-light iron for easy vertical steaming
- Easy De-Calc Plus to extend the lifetime of your iron

Highlights

Intelligent automatic steam

Ensure your ironing is completed fast and with minimal effort, with the new motion sensor technology that recognises when you move the iron to release steam automatically

Ultra-powerful steam

Strong, continuous steam for effective crease removal of even the most stubborn creases on the thickest fabrics.

SteamGlide Elite soleplate

SteamGlide Elite is our best soleplate for ultimate gliding performance and maximum scratch resistance. Its stainless steel base is twice as hard as a regular aluminium base, and our patented 6-layer coating with advanced titanium layer glides effortlessly for the fastest results.

1.8 L detachable water tank

The 1.8-litre transparent water tank gives you up to 2 hours of continuous use. When the water tank is empty, you will be reminded by the indicator light to refill at any time, which you can easily do under the tap through the large filling door.

Auto-shut off

Auto-shut off to save energy and for peace of mind.

Safety carry lock

Lock your iron securely to the base station for easy carrying around the house and to reduce the risk of accidentally touching the hot soleplate.

Guaranteed no burns

With OptimalTEMP technology, we guarantee this iron will never cause burns to any ironable fabric when it is left unattended. You can safely leave it resting on your clothes or ironing board.

Automatic vertical steam

Our advanced motion sensor can recognise movements in any direction, so you can also steam and refresh dresses, jackets and curtains vertically.

Ultra-light iron

The iron is amazingly light and comfortable to handle, gliding easily and reducing wrist strain. Its minimal weight of only 800 g also makes it easy for vertical steaming of curtains and hanging clothes.

Specifications

General Specification

Product Type: Steam Generator
Heat-up time: 2 min
Ultra-light iron: Yes
Precise steam tip: Yes
Indicator light: Yes
Soleplate material: Stainless Steel
Soleplate gliding performance: Excellent
Soleplate name: SteamGlide Elite
Calc management: Easy De-calc Plus
Calc clean reminder: Light and Sound
Water spray: No
Detachable water tank: Yes
Suitable for tap water: Yes
Water tank capacity: 1800 ml
Refill at any time during use: Yes
Extra-large filling hole: Yes
Low water warning: Yes
Select steam level from handle: No
Variable steam levels: No
Power cord storage: Yes
Vertical steaming: Yes
Integrated power plug: Yes
Hose storage: Yes
Warranty/Guarantee: 2 year worldwide guarantee
Power cord material: Textile

Technical Specifications

Power: 2700 W
Voltage: 220–240 V
Pressure: Max 8.0 bar
Technology: OptimaTEMP technology, Intelligent Automatic Steam technology
Drip stop: Yes
Ready to use: Light and Sound
Continuous steam output/Steam rate: Up to 170 g/min
Steam boost: Up to 600 g

Safety

Automatic shut-off: Yes
Safety carry lock: Yes
Safe on all ironable fabrics: Yes

Weight and Dimensions

Product dimensions (W x H x L): 47.5 x 28.8 x 22.9 cm
Package dimensions (W x H x L): 56.7 x 35 x 32.7 cm
Power cord length: 1.8 m
Hose cord length: 1.8 m
Iron weight: 0.85 kg
Product Weight: 4.9 kg
Total weight with packaging: 7.4 kg

Design

Colour: Purple

Sustainability

Energy-saving mode (Eco function): Yes (22% energy efficiency)
User Manual: Yes

Country of Origin

Produced In: Indonesia
