MPN: USBA-M/PS2-F

PS2 Adapter

The MicroConnect USBA-M/PS2-F USB Adapter allows you to easily connect a PS/2 device, such as a keyboard or mouse, to a computer via a USB port. This adapter features a USB Type-A male connector on one end and a PS/2 female connector on the other, providing a simple and efficient solution for using older peripherals with modern systems. Offering a versatile solution where legacy devices are needed, this adapter embodies MicroConnect's commitment to providing pioneering connectivity solutions. Benefit from MicroConnect's 20+ years of expertise in delivering premium quality adapters at fair prices.
