

Important!!!

NX-7000 Package Change Notification

Due to the oil price and transportation cost up for a while, the retail package of NX-7000 will be modified to be smaller box, to save its shelf space in retail and the transportation cost. The new package will keep the transparent window to see the mouse body of NX-7000.

The new package part number, EAN and UPC code will be different from current package to avoid confusing. The new package will be available until current package running out.
