

19" Server Cabinet

26U, IP20-rated housing, Flatpack, Black

Part No.: 713245

EAN-13: 0766623713245 | UPC: 766623713245

Intellinet Network Solutions server cabinets offer you a flexible and comprehensive solution for your server installations. Top quality materials and workmanship include a perforated door and ventilation slots for excellent airflow, antistatic powder coating and a multi-point door lock; while the flat-pack (unassembled) shipping* saves you space and money. In addition, the removable side panels make cabling and component exchange particularly easy.

*Completely assembled versions are available in certain countries.

Features:

- Ideal for all 19 in. rackmount applications
- Maximum static load of 1500 kg
- Perforated door and ventilation slots provide excellent airflow
- Zinc-plated 19 in. mounting rails
- Antistatic powder coating on all panels
- Panels with up to 2 mm steel thickness
- Reversible front door
