

Product computer case**M/B support** mATX / ATX**Color** black

The **AL-01B-OP** joins the just kick-started new gaming era of Chieftec, offering a 0,5mm thick metal ATX chassis that leaves no wish open and serves the DIY Gaming market marvelously. Coming in an all-black finish (both on the exterior and the interior), the AL-01B-OP presents itself with a brushed aluminum front panel, giving the chassis a visible added value. Coming with 2x USB 3.0 and 1x USB 2.0 connectors, a HD audio IN & OUT connector as well as power and reset buttons on the top, the AL-01B-OP leaves no wish unfulfilled and remains highly accessible.
