Highlights

Self-sharpening blades

Get a perfect trim, time after time. The steel blades lightly brush against one another – sharpening themselves as they work. This results in blades that are sharp as day 1 after 3 years of use.

9 tools for face and hair

This all-in-one trimmer conveniently trims and styles your facial hair and clips your hair.

Trimmer

Use the trimmer without a comb to get clean, sharp lines around your beard, neck and hairline. The trimmer's shelf-sharpening blades remain as sharp as day 1, even after 3 years of use.

Detail metal trimmer

Create fine lines, contours and details with precision, to define or change your style.

Nose and ear trimmer

Remove unwanted nose and ear hair, easily and comfortably.

6 Impact-resistant combs

2 stubble combs (1 and 2 mm), 1 adjustable beard comb (3-7 mm) and 3 hair combs (9, 12 and 16 mm).

Up to 60-minute run time

Get up to 60 minutes of cordless use for every 16-hour charge.

Rinseable attachments

Simply detach and rinse the blades and combs under the tap to thoroughly clean them.

Storage pouch

Use the convenient pouch for storage or travel. It holds and protects your trimmer and all its tools when you're on the go.
