Ideal for producing more of the professional-quality colour and black-and-white prints you need – at the speeds your printer was built for.

HP Original LaserJet Toner Cartridges with JetIntelligence: give your business more professional-quality pages[1], peak printing performance and the added protection of anti-fraud technology – something the competition simply can't match.

Get more pages and more value than ever.[1]

Print more pages than ever before.[1] Help reduce costs with high-yield options and page maximiser technology. Consistently predict toner levels with more dependable gauges[2] to ensure you get the most prints possible from your cartridges.

Print at high speeds – without sacrificing quality.

Produce even more of the top-quality documents you expect from HP. ColorSphere 3 toner is specially engineered to match your printer's high-speed performance thanks to its low melting point, achieving the quality you depend on to look professional.

Protect your business against fraud.

Built into every HP Original LaserJet Toner Cartridge with JetIntelligence, HP's exclusive anti fraud technology protects you from potential counterfeit cartridges by authenticating the cartridge as it is installed.

Protect – and make the most of – your investment.

Only HP Original LaserJet Toner Cartridges with JetIntelligence are precisely engineered for your HP LaserJet printer or MFP. Spend less time troubleshooting device problems and more time on what matters most to your business.
