- 2800 W for quick heat-up and powerful performance
- Steam output up to 50 g/min for faster crease removal
- Vertical steam
- Easy temperature control
- Automatic shut-off when iron is left unattended

Highlights

Steam boost up to 250 g

Penetrates deeper into fabrics to easily remove stubborn creases.

SteamGlide Elite soleplate

Philips' exclusive SteamGlide Elite is our best soleplate for ultimate gliding and maximum scratch resistance.

Quick Calc release

Quick Calc Release for an easy cleaning for your iron and a long-lasting steam performance.

Drip-stop system

Our drip-stop system prevents leakage to avoid stains from water droplets and iron with confidence at any temperature.

300-ml Water tank

Fewer refills are required thanks to a large 300-ml water tank, allowing you to iron more clothes in one go.

2800 W to heat up quickly

Delivers a fast warm up and powerful performance to get your ironing done quickly.

Continuous steam up to 50 g/min

Strong and consistent steam output penetrates up to 50% more steam through fabric to remove creases faster.

Vertical steam

Vertical steam function allows you to refresh garments right on the hanger and remove creases from hanging fabrics such as curtains. No ironing board required.

Variable steam settings

An elevated temperature control and variable steam setting is easy and precise to operate. You will always have the right temperature and steam for your garment.

Specifications
