

DATASHEET

ZONE VIBE WIRELESS

The over-the-ear, wireless headphones designed for video conferencing and beyond. Noise-canceling mic captures your voice for an engaging meeting experience. The partner-certified headset is as feature rich as it is stylish.

Logitech Zone Vibe Wireless was made for today's hybrid work environments. With crystal-clear sound, reliable audio connection, and an advanced noise-canceling mic, this professional headset ensures you are heard clearly and naturally.

Comfort and practicality converge to bring you a headset that goes where you go, as long as you need it to. Zone Vibe Wireless is lightweight yet delivers up to 18 hours of talk time[1] on a single charge.

Three wireless connectivity options give you the freedom to move about with confidence. Instantly switch between devices without disconnecting or interrupting your flow.

FEATURED PRODUCT SPECIFICATIONS

1. **Certified for video conferencing:** Certified for business and built with a noise-canceling mic, Zone Vibe Wireless picks up your voice, not distracting background noise.
2. **Powerful yet lightweight:** An immersive audio experience delivered through a stylish, lightweight over-the-ear fit. Zone Vibe Wireless is comfortable even after hours of use.
3. **Wireless and reliable:** Never miss a call or meeting. Multipoint *Bluetooth*® and *USB*-C receiver allow you to connect up to two devices and easily switch between them.
