Gamer Series | GL-02B-OP

- **Front & side panels made of TEMPERED GLASS**
- **4x pre-installed RAINBOW RGB RING Fans**
- **Advanced cable management options**

The **SCORPION II** is the „next generation" GAMING case, coming with **4 pre-installed RAINBOW RGB RING** Fans and the front & side panels in TEMPERED GLASS which allows a magical view of your hardware and installed RGB applications. The flexible cooling possibilities offer several water-cooling options so that cooling performance can continiously be enhanced. The **SCORPION II** remains the perfect ATX and/or mATX solution for a „state-of-the-art" and yet fully affordable **high-class gaming case**.
