

WorkForce ES-60W

DATASHEET / BROCHURE

Wherever you are, scan documents easily to searchable PDF with Epson's smallest mobile scanner, featuring Wi-Fi connectivity and battery power.

The ES-60W can easily be transported and quickly set up, and even used without a power source, making it even easier to stay highly organised. It automatically detects whether it's in wireless or USB mode - no intervention needed. It's ideal for SOHO environments with limited space where a simple scanning solution is required. Connects easily to a phone, tablet or laptop.

Scan anywhere

The ES-60W has built-in Wi-Fi and battery with an LCD Panel, providing true mobility to scan anywhere at speeds of just four seconds per page. When fully charged, scan up to 300 pages without the need for a power source.

Highly organised

Epson's new ScanSmart software makes it effortless for anyone to scan how they want, providing an easy-to-use step by step scanning process. Users can save and send files in common formats like PDF, jpeg, tiff and many more. Continuous scanning with automatic feed mode speeds up scanning process, while the CIS sensor delivers instant scanning with no warm up time. The new LCD panel makes it easy to define job tasks when working remotely.

Flexible

The ability to scan a wide range of document and media types makes this model a reliable asset. It handles paper from 35gsm to 270gsm, and long paper up to 1.8 metres.

KEY FEATURES
